Sameera

Mail does it again!

By IQBAL GAFFOOR

LENASIA'S table tennis sensation, Sameera Maal, has done it again, by winning a seniors title in her first attempt.

The Topaz Secondary School matriculant and former under 17 singles champion, annexed the Gauteeng Table Tennis Open Championship in Newclare on September 12.

She whipped top seeded Tanya Williams in the final 3-1, after beating another seeded player, Gauteng's Milnaad Gameeldien in the semis.

With her doubles partner, Grezelda Rutters, Sameera added another trophy to her shelf. They beat Tanya Williams and her mother, Della, 2-0.

Playing in the mixed doubles with her coach, Hasnuk Jeram, the young Lenasia lass reached the semi final

stage, where they were beaten by Grezelda Rutters and Mark Gudeke of KwaZulu Natal.

"After her win Sameera described her feelings.

"I played exceptionally well and it is feather in my cap to capture the senior singles title in my first attempt," she said.

"However, I will not let this win detract me from my preparation for the big one, the South African Senior Table Tennis Championships in Port Elizabeth later this month. I have to concentrate on that one."

Sameera will be representing USSASA at the Port Elizabeth event, from September 23 to 27, and she hopes to do well against the best players in the country. The current South African senior title holder is Margie Lackay.

Her partners will be Grezelda Rutters in the doubles and Abdul Hay in the mixed doubles.
