

IN THE HIGH COURT OF SOUTH AFRICA
GAUTENG LOCAL DIVISION, PRETORIA

In the matter of:

Case Number: 01/17

RE-OPENED INQUEST: MR AHMED TIMOL

AFFIDAVIT OF ADV. RAYMOND CHRISTOPHER MACADAM

1.

I am a Senior Deputy Director of Public Prosecutions in the office of the National Director of Public Prosecutions.

2.

Since 2003 I have been a member of the PCLU.

3.

My attention has been drawn to paragraphs 27 to 30 of an affidavit made by Mr Imtiaz Cajee, which was placed before this Honorable Court on 14 August 2017. In my view this creates the impression that I had investigated a complaint made to the then National Director that the police officers involved with the death of Mr Timol be charged with murder and had advised Mr Cajee that my investigation had produced "negative results". This is not a true reflection of my involvement in the matter.

4.

I was not aware of a complaint made to the National Director but was approached directly by Mr Cajee who informed me that the daughter of Sgt. Rodrigues had approached a journalist Ivor Powell and informed him that her father had told her how the deceased was murdered. I immediately reported the allegations to the DSO ("The Scorpions") A Chief Investigating Officer was sent to interview Mr Powell and establish whether Sgt. Rodrigues could be charged with murder. I was informed that after

investigation no basis for the allegations could be established. Mr Powell was emphatic that no such approach had been made to him.

5.

On 25 February 2004 I wrote to Mr Cajee informing him that this investigation had produced negative results. I did however invite him to supply me with additional information so that the case could be reconsidered. I did not however hear anything further from him. I attach a copy of my letter addressed to him as RCM1.

6.

Shortly thereafter, I was assigned a very lengthy prosecution relating to an international nuclear weapons syndicate and was no longer involved in TRC cases.

7.

I have had sight of the letter dated 29 November 2006 entitled "Report of the progress made by the Task Team on TRC Cases" which was attached as Annexure "A" to Mr Cajee's affidavit. I was not the author of the report. As the report clearly indicates it related to the work of a task team. I was not a member of this task team. As the report also reflects it was the decision of this team to close the matter relating to the deceased.

8.

At a later stage I was again instructed to deal with TRC cases. The investigation of these matters was now the responsibility of the DPCI. In late 2015 I looked into this matter and was of the view that it should be investigated. I therefore requested the DPCI to open an investigation into the matter.

9.

I downloaded the copy of the inquest record which was held by Wits and requested the police to establish the whereabouts of the implicated parties, witnesses and medical experts. I also contacted Mr Piers Pigou who had dealt with the matter at the TRC. I also requested a researcher to obtain the detention files of persons who were detained at the same time as the deceased. Copies of my communications are attached hereto as RCM2 and RCM3.

10.

I was however assigned a very urgent matter relating to international terrorism and plans to carry out terrorist attacks in South Africa. I briefed Adv. Pretorius SC on what work had been commenced on

the matter of the deceased. He informed me that he would monitor the police investigation and later advised me that he had decided that it would be appropriate to hold a formal inquest.
